SKYWEST AIRLINES LTD (formerly known as Advent Air Ltd, "Skywest" or "the Company")

Skywest leads the airline on time performance in Australia for November

Skywest, Western Australia's largest regional airline is the frontrunner for punctuality for the month of November, achieving an On Time Performance significantly higher than any other airline in Australia.

Results published today by the Australian Bureau of Infrastructure, Transport and Regional Economics show Skywest's November on Time Departures at 87.2% and On Time Arrivals at 85.5% for the month, compared to the national average of 78.5% for departures and 75.9% for arrivals.

Jeff Chatfield, Chairman said "Skywest has always been committed to its on time performance and has faced challenges in this area over the last year. It has been a management focus to work hard to improve to improve its performance, especially given a rapid increase in fleet size. Faced with many operational challenges at times, it is rewarding to see that we can achieve national best and we will seek to improve and maintain that service quality."
